Marriage Minute:

Have you storm proofed your marriage? It is an uncomfortable fact that we do not know the "day or hour" that tragedy will hit. We prepare by buying insurance for our homes, cars and lives. How can we make our marriages strong enough to withstand life's storms? During good times we can learn: (1) To share feelings in a non-threatening way that draws us close. (2) To make praying together an established habit. (3) To have a plan for how to reconcile after feelings have been hurt. (4) To make decisions together, even when we are initially far apart in our opinions. (5) To see things from our spouse's perspective. Having these skills in place makes the hard times easier to navigate. Don't wait to learn them!
